

Detective Lawrence "Mike" Davis

Mike Davis was hired by the Trenton Police Department on August 20, 1990. Mike attended the Trenton Police Academy, and after graduation was assigned to the Uniform Bureau – Patrol. In 1994, while assigned to Patrol, Mike applied for and was accepted into the K9 Unit. Mike continued serving in Patrol with his K9 partner, Blaze, until 2003, when Blaze was retired. Mike and his second K9 partner, Storm, were trained in explosive detection in 2003, and both served in Patrol until 2005. In 2005, Mike was made a Detective and, along with Storm, was assigned to the Tactical Anti-Crime Unit (TAC). Together, Mike and Storm have successfully ferreted out numerous firearms, which may have otherwise gone undiscovered.
